VOL. 25 No. 1

MARCH 1981

BOB BEDARD NAMED NEXT HEADMASTER

Peter D. G. Harris, Chairman of the Board of Governors, has announced that the Board at its meeting of January 14, unanimously approved the appointment of Mr. Robert P. Bedard as Headmaster of St. Andrew's College, effective July 1, 1981. In the intervening period, Mr. Bedard will be carrying on his current responsibilities as Assistant to the Headmaster, and working with Dr. Hockin in planning the coming academic year.

Bob Bedard was born in Sherbrooke, Quebec, in 1931. He has an Honours B.A. from Loyola in Philosophy and a B.Ed. degree from Sherbrooke University. In addition, he has done studies in Business at Sir George Williams University and at U.C.L.A. Prior to coming to St. Andrew's in 1973, Bob taught Geography and French at Bishop's College School in Lennoxville from 1958 to 1971. He also served as a housemaster at Bishop's. Amongst Bob's many well-known accomplishments are membership on the National Fitness Council and past Vice-President of the Canadian Lawn Tennis Federation. I am sure that many of you are aware that he was the No. 1 ranked tennis player in Canada from 1955 to 1965.

Bob, as Assistant to the Headmaster, has put special emphasis on the School's academic program. In addition to his administrative responsibilities at St. Andrew's, he also teaches French, coaches hockey, track and field and directs the School's guidance program.

Bob's charming wife, Anne, is well known to many St. Andrew's parents and Old Boys, as are their four fine sons; Mark, Paul, Michael and Peter.

HELP WANTED!

The Association is looking for Art benefactors for the school.

We would like to obtain representative Canadian works of art for prominent display in our buildings.

Attractive tax deductions can be arranged for any such donation.

If you, or someone you know, can help with a direct or indirect contribution please contact-

OLD BOYS SOCCER

A spirited group of Old Boys took on the School's First Team to open the fall soccer season on September 13 last. Organized by Mike Duder '73, the Old Boys team included Tim Stoate '73, Nick Glassow '68, Mac Yule and Don MacKay '70, Jim Gray '74, Carr Hatch '67, Bill Cathers '79 and Peter Robinson, Second team coach. Backed up by superb goal keeping by Robinson, the Old Boys scored first and led 2 - 1 until well into the second half, before they ran out of "legs" and succumbed 4 - 2 to their younger opponents.

Both Old Boys and the boys of the School seem to enjoy these games so, hopefully, more players can be mustered next fall. Anyone who would like to play should advise Jim Hamilton, Association Secretary, at Aurora.

ASSOCIATION ANNUAL DINNER

Friday, May 15, 6:00 p.m.

WESTBURY HOTEL, TORONTO

Speaker: Kenneth W. Taylor

**Canadian Consul General in New York and formerly
Canada's Ambassador to Iran**

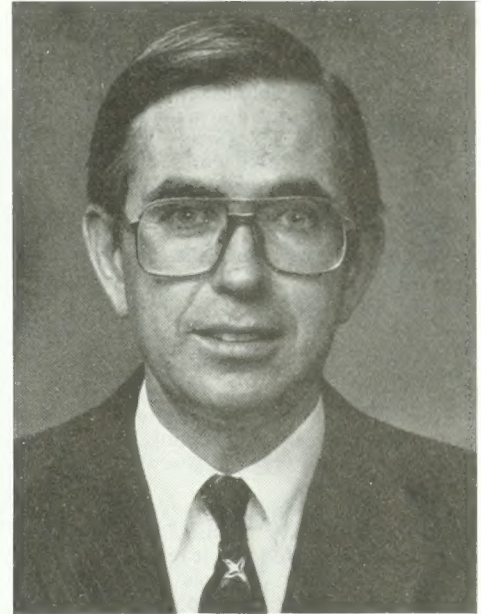

NEW S.A.C FOUNDATION TRUSTEES

At the Annual Meeting of the St. Andrew's College Foundation last October, David M. Dunlap was elected Chairman, succeeding Peter J. Dalton. David is an Old Boy of the class of 1956, and is President of Taper Manufacturing Limited with headquarters in Newmarket, Ontario. He and his wife, Margriet and their four children reside in King Township. Son, Greg, attends St. Andrew's.

Anthony M. Fell, S.A.C. 1954-59, is President and Chief Executive Officer of Dominion Securities Limited in Toronto. His son, Graham, is in Form Upper II at St. Andrew's.

Keith C. Pilley, S.A.C. 1937-42, is Executive Vice-President Royal Trust Mortgage Corp in Toronto. Keith has a daughter and a son, Gordon, who was at St. Andrew's from 1969 to 1972.

Alfred M. Wirth, S.A.C. 1957-59, is Vice President and General Manager of Sun Life of Canada Investment Management Limited and is located in Toronto.

LADIES GUILD SPRING MEETING

Wednesday, May 13, 1981

11:00 a.m.

**Speakers: Dr. T. A. Hockin, Headmaster
and students of St. Andrew's College**

WHAT IS I.S.A.A.?

This is a question we are often asked, so maybe more people are curious and would welcome an explanation.

Until 1968 the First Football teams of Ridley College in St. Catharines, St. Andrew's College in Toronto and Aurora, Trinity College School in Port Hope and Upper Canada College in Toronto played each other in what became known as the "Little Big Four" league. The name came about because the football teams of Toronto, Hamilton, Ottawa and Montreal of the old Canadian Rugby Football Union were more familiarly known in earlier years as the "Big Four". Presumably little rugby football was played outside the four schools, and many players from these schools went on to play in the "Big Four".

In the early nineteen sixties, pressure was put on the headmasters of the "L.B.F." to admit additional schools to the league, principally from Appleby College in Oakville, Lakefield College School of Lakefield near Peterborough, and later Hillfield in Hamilton. Most of the LBF members were playing exhibition games against these other schools, so perhaps it was a natural development. In any case, the LBF acceded to the requests and expanded to six teams to include the original four plus Appleby and Lakefield, and adopted the name "Independent Schools Athletic Association". At the same time provision was made to establish divisions for other sports besides football.

Currently the ISAA, sometimes incorrectly referred to as ISL (Independent Schools League), has divisions in soccer, cross country running, hockey, basketball, swimming, squash, skiing (cross country and downhill), curling, volleyball, cricket, rugby, track and field, tennis, and golf. In some of these sports there are teams in as many as six or seven age levels.

The number of teams in each sport varies as some schools do not compete in all of them. For example, at First team level, the line up includes -

CADETS WIN TROPHY

St. Andrew's College Highland Cadet Corps was awarded the Strathcona Trophy for 1980, having been judged the best of the closed corps in Central Command, Armed Forces of Canada. The Corps achieved 92.7% efficiency. Cadet Major Scott Byberg, second in command of the 1980 Corps, accepted the trophy along with Cadet Lt. Col. Paul Stanborough of the 1980-81 Corps. Others present include Major Bert Jacques, Instructor in charge of administration, Cadet Capt. Adam Lynde, Cadet Capt. Michael Rugeroni and Major Derek Inglis, Chief Instructor of the Corps.

Football - (6 teams) - original LBF plus Appleby and Hillfield-Strathallan (Lakefield dropped out in 1972, replaced by Hillfield).

Soccer - (8 teams) - LBF plus Appleby, Crescent, Pickering, and St. George's.

Hockey - (9 teams) - LBF plus Appleby, Crescent, Lakefield, St. George's and Nichols School of Buffalo provides an international flavour!

Basketball - (8 teams) - LBF plus Appleby, Crescent, Hillfield and St. George's.

Skiing - (8 teams) - LBF plus Lakefield, Appleby, St. Georges, and Crescent.

Cricket - (5 teams) - LBF plus Appleby.

Rugby - (6 teams) - LBF plus Appleby and Lakefield.

Each sport has its own convenor who is responsible for maintaining game results and statistics. We haven't yet reached the stage of requiring a Commissioner, but maybe that is not too far away! The biggest problem at the moment is to get coverage or even results listed by the media. Unfortunately, the Toronto newspapers usually have junior reporters or students handling high school sports and they change frequently.

In addition to the ISAA, some schools compete in local high school leagues as well, which gives access to Ontario High school play-offs in many cases. For instance, St. Andrew's enters Georgian Bay Secondary School Association (GBSSA) events in several sports.

JAKE'S CORNER

Our philosopher friend, Jake Vanderploeg sends along these thoughts for our readers:

The weaker sex is the stronger sex because of the weakness of the stronger sex for the weaker sex.

All government programs have three things in common: A beginning, a muddle, and no end.

How goes the battle? All your way I hope.
